

Mozambique Orphanage Fund

Annual Report

Fiscal Year ending 12/31/2015

The Mozambique Orphanage Fund (MOF) is a 501(c) (3) Public Charity. Its purpose is to raise money to provide food, clothing, education, and counseling for orphans and vulnerable children in Mozambique. We also work as an advocate with other partners to gain additional support for the needs of these children.

Our first priority is to support the needs of the Carolyn Belshe Orphanage (CBO) in Cambine, Mozambique. After satisfying that need, we will raise money for other orphanages or agencies supporting orphans and vulnerable children in Mozambique.

The year 2015 was our sixth full year of operation. Our by-laws, and Board members names are available on request and can be found on our web-site at www.mzorphans.org
